U.O.No 392 dated 25th June 1947 from the Secretary to Government, Revenue Department, Bangalore.

Re.- Proposals for the additional establishment required for carrying out works undertaken by the Board.

U.O.No. 21 dated 17 July 1947.

6) It is seen from the list of works furnished by the Trust Board that so far only two large works were in progress during 1946-47 There are (1) Construction of tenemental quarters on which an outlay of Rs.75,000/- was expected and the Industrial suburb first stage on which an outlay of Rs.5 lak was anticipated This amount (stage) perhaps represents mostly, the cost of acquisition charges Since the work during the year 1947-48, will expand it will be enough probably if another SubDivision with necessary staff viz., 1 Assistant Engineer, 2 Surveyors or Overseers and 6 Suboverseers with necessary clerks and menials be sanctioned in addition to the existing.

7) This staff ought to be able to cope with all the works and projects that may be dealt with during 1946-47. 1947-48?

8) If any large works that cannot be managed by these staff are to be sanctioned during next year and provision for any special staff may be made in the concerned estimates.

The Secretary to Government,
Revenue Department.

Chief Engineer for Roads and Buildings.

NG

9) In view of the opinion furnished in para 6 supra by the Chief Engineer, R&B, the proposals contained in the Resolution of the Board are for orders

BRR 29/7

10) Pl put up a D/F letter communicating the above to the Chairman C-I-D-B advising that the proposal as modified may be sanctioned

Additional Engineering establishment — Bangalore Turbo

From the Auditor, P W D

~~The Chairman~~ ~~Trustee~~, Bangalore

No 233 dt 9-7-47

Forwards the proposal statement.

24) As suggested by the chief Engineer for Roads and Buildings at para 6 supra the chairman requests sanction to the entertainment of additional Engineering staff for one year in the first instance

25) The details of the additional staff proposed to be entertained is noted below

Vide proposal statement — flg 7

1 one Asst Engineer on Rs 200 — 40/2 — 400 p.m

2 Two Overseers on Rs 80 — 5 — 125 each p.m

3 Six Subovereers on Rs 50 — 5 — 100 + 15 c A each

4 Two clerks — on Rs 30 — 3 — 45 each

5 Two peons — on Rs 11 — 1/2 — 15 each

7/
1077 — Additional establishment of the
V 1508/L Engineering section of the Trust-Board

26/ The proposal involves an extra expenditure of Rs 1621/- pm or about Rs 19,452 pr annum.

27/ The proposal statement prepared in this respect has been duly verified by the Auditor P W D and returned

X flg 7.

28/ In the above circumstances the proposal to entertain the additional establishment in the Engineering section of the Trust Board as noted under para 25/ supra, may perhaps be sanctioned in view of the opinion of the chief Engineer at para 6 of the notes

29/ The Finl Secy may also be consulted in the matter

SLA 17/9

SLA 17/9
VII 1969

30/ The proposal is to create the addl establishment asked for as of a temporary nature

Addl
one Engineer 900 - 40 - 400 + 75 CA
2 Overseers - 80 - 5 - 125 + 24 CA
6 Sub Overseers 50 - 5 - 100 + 15 CA
2 Clerks 30 - 3 - 45

the same temp sanctioned for one year on the first existence of the question of its continuance being considered at the end of that period

31) It will be seen from the Proposed Statement Flopped & that this proposed establishment has been merged in the permanent establishments shown in the Engineering section of the Irrigation instead of preparing a separate statement for the temporary establishment this will be done now

A

32 In view of the fact that the proposals involve an extra outlay more than Rs 24000 per annum & the creation of an Assistant Engineers post this will have to be treated as Council matter also

B

33 The examiner has not stated that the necessity for the work & establishment is present or urgent & request cannot be taken up unless these formalities are observed. It would take considerable time before the above formalities are observed. Hence if approved, the C-E for sanction will be

C

7.9
1508/mf

informed that the first three deeds
to sanction the addl. Establishment as
I referred to in para 30 thereof and that
C the required technical personnel may
be posted to work in the Tirupati Area

34) Points at A, B & C above are
for orders

Newsprint for
1954

35 I agree with all the above
Proposals at A. B & C

36 This will have to be
treated as a Council matter
& if approved may be disposed
of by circulation

37 As the additional staff
is urgently required and as it
involves time before all the
formalities are gone through
being a Schedule matter it
appears desirable to take
action as indicated at

CIRCULATION NOTE:

Subject: Appointment of additional staff in the Engineering Section of the City Improvement Trust Board, Bangalore.

***

In view of the large volume of work to be handled by the Bangalore City Improvement Trust Board and the urgent need for their speedy execution, the Chairman of the Trust Board submitted proposals for the entertainment of additional staff consisting of two +Assistant Engineers and five Surveyors with necessary menial staff in the Engineering Section of the Trust Board, besides the existing staff of one Assistant Engineer and 10 Surveyors, as resolved upon by the Trust Board.

The Chief Engineer for Roads and Buildings who was consulted in the matter suggested that it would be enough if another Sub Division consisting of one Assistant Engineer

1 Engineer Office	Rs 500 + C.A 100	two Surve-
1 Asst. Engr.	200-40/2-400 + C.A. 75	
3 Overseers	80-5-125 + C A 24 each	yors or Over-
7 Sub Overseers	35-5/2-80 + C A. 15 each.	
16 Peons	11-½-15	seers and six
1 Duffedar.	15-½-17	

Sub-overseers was created in addition to the existing one consisting of the staff as shown in margin

In view of the opinion of the Chief Engineer for Roads and Buildings, the Chairman submitted modified proposals for the entertainment of additional staff mentioned below on the scales of pay specified against each

	Staff	Scale of pay.
1-	One Asst Engineer	Rs.200-40/2-400 p m
2.	Two Overseers	80-5-125 each p.m
3	Six Sub-overseers	50-5-100 plus Rs. 15/- C.A each p.m
4.	Two clerks.	30-3-45 each p m
5.	Two peons.	11-½-15 each p.m.

In view of the urgency, it was decided to appoint the staff for a period of one year in the first instance, the question of its continuance being considered at the end of that period The Chief Engineer was accordingly requested to post this establishment immediately, pending sanction of - Government, as the required proposition statement has yet to be prepared and scrutinised by the Comptroller, according to standing orders

The Financial Secretary has also agreed to the above and with the approval of the former Minister for Education and Public Health, and the Dewan, the Chief Engineer for Irrigation was requested to post the required staff immediately to the Trust Board and the Chairman was requested to prepare and submit the required proposition statement in respect of this staff through the Comptroller The proposition statement prepared in this behalf is now received duly scrutinised by the Comptroller It is seen therefrom that the appointment of this additional establishment involves an extra expenditure of Rs. 1,427/- p.m or Rs. 17,124/- p a It is reported by the Chief Engineer for Irrigation that two Overseers and 5 Sub-Overseers have already been posted to the Trust Board and the remaining staff will be posted in consultation with the Chairman of the Trust Board Necessary provision has been made to meet this expenditure in the current year's budget of the Trust Board

The proposal having been ordered by the Dewan to be disposed of by circulation this note is submitted

Points for Orders Sanction to the appointment of the additional staff consisting of one Assistant Engineer, two Overseers and six Sub-overseers, two clerks and two peons in the Engineering Section of the City Improvement Trust Board, Bangalore, for a period of one year in the first instance, at a cost of Rs. 1427/- p m. ~~of~~ the question of its further continuance being considered after the end of that period.

2. Approval to the action taken in having ordered the posting of the said staff, pending sanction of Government

3 Overseers.	80-5-125 + C.A. 25 each.	
7 Sub Overseers.	35-5/2-80 + C.A. 15 each.	
16 Peons	11-½-15	
1 Duffedar.	15-½-17.	

Sub-overseers was created in addition to the existing one consisting of the staff as shown in margin.

In view of the opinion of the Chief Engineer for Roads and Buildings, the Chairman submitted modified proposals for the entertainment of additional staff mentioned below on the scales of pay specified against each.

	Staff.	Scale of pay.
1.	One Asst. Engineer.	Rs.200-40/2-400 p.m.
2.	Two Overseers.	80-5-125 each p.m.
3.	Six Sub-overseers.	50-5-100 plus Rs. 15/- C.A. each p.m.
4.	Two clerks.	30-3-45 each p.m.
5.	Two peons.	11-½-15 each p.m.

In view of the urgency, it was decided to appoint the staff for a period of one year in the first instance, the question of its continuance being considered at the end of that period. The Chief Engineer was accordingly requested to post this establishment immediately, pending sanction of - Government, as the required proposition statement has yet to be prepared and scrutinised by the Comptroller, according to standing orders.

The Financial Secretary has also agreed to the above and with the approval of the former Minister for Education and Public Health, and the Dewan, the Chief Engineer for Irrigation was requested to post the required staff immediately to the Trust Board and the Chairman was requested to prepare and submit the required proposition statement in respect of this staff through the Comptroller. The proposition statement prepared in this behalf is now received duly scrutinised by the Comptroller. It is seen therefrom that the appointment of this additional establishment involves an extra expenditure of Rs. 1,427/- p.m. or Rs. 17,124/- p.a. It is reported by the Chief Engineer for Irrigation that two Overseers and 5 Sub-Overseers have already been posted to the Trust Board and the remaining staff will be posted in consultation with the Chairman of the Trust Board. Necessary provision has been made to meet this expenditure in the current year's budget of the Trust Board.

The proposal having been ordered by the Dewan to be disposed of by circulation, this note is submitted.

Points for Orders: Sanction to the appointment of the additional staff consisting of one Assistant Engineer, two Overseers and six Sub-overseers, two clerks and two peons in the Engineering Section of the City Improvement Trust Board, Bangalore, for a period of one year in the first instance, at a cost of Rs. 1427/- p.m. the question of its further continuance being considered after the end of that period.

2. [illegible] approval to the [illegible] in having one [illegible] the position of [illegible] staff, [illegible] sections of Government.

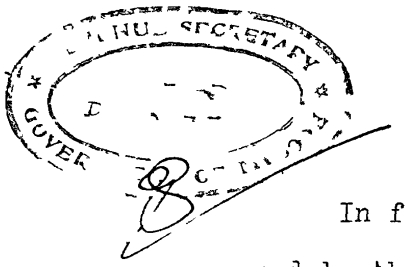
Sir,



Subject - Proposals for the additional establishment required for carrying out works - undertaken by the Board

====

In forwarding herewith a Note dated 13-5-1947 prepared by the Engineer Officer attached to the Board on the above subject, I have the honour to state that the need for entertaining the extra engineering establishment is well explained in the Engineer Officer's note and there is nothing more to be added to it

2 In view of the large volume of work to be handled by the Trust Board and the urgent need for their speedy execution, it is very necessary to entertain two more Assistant Engineers with the subordinate and menial staff as proposed by the Engineer Officer The Chief Engineer for Irrigation who is also a member of the Board was also of the opinion that the staff asked for by the Engineer Officer was quite essential in view of the volume of work on hand

3 The proposals were considered by the Board at its meeting held on 27-5-1947 when the following resolution was passed

> "That the proposals of the Engineer Officer for the entertainment of additional - staff proposed be approved and recommended to Government for sanction with details of cost therefor "

P T O

A proposition statement ... is also enclosed for favour of reference. The establishment proposed will be for one year in the first instance, for their further continuance or otherwise being considered at the end of the year. Necessary provision has also been made in this behalf in the provisional Budget of the City Improvement Trust Board.

I request that early orders of Government may kindly be obtained on the above proposals as resolved by the Board.

I have the honour to be,
Sir,
Your most obedient servant,

C.P. Naronya Rao
CHAIRMAN

-MSS.

Report dated 13-5-47 from the Engineer Officer, C I Trust Board, Bangalore.

Subject - Re. additional establishment required for carrying out works undertaken by the Trust Board.

I have the honour to report that as per Budget Provision, the following works costing Rs 1,08,59,814/- have to be taken up by the Board during the year 1947-48 Considering the enormous amount of works that the Trust Board has to tackle, the establishment should also be suitably strengthened. The existing establishment under me now is only an Assistant Engineer helped by 10 Executive subordinates. This establishment is very meagre when compared to the volume of work to be taken up Hence, I propose to put forward the following scheme

There should be 3 Assistant Engineers and each will be in charge of a Sub Division. No. 1 Sub Division will have one Assistant Engineer and 5 Surveyors This Sub Division would undertake the work of Industrial Suburb - north and south zones and the formation of the Labour Colony. No. 2 Sub Division with one Assistant Engineer and 5 Surveyors would take up the work of Kankanpalya Extension. No 3 Sub Division with one Asst. Engineer and 5 Surveyors would handle the buildings in Kumara Park West Extension and all other small works on hand This Sub Division would also be in charge of several project works.

There is already one Assistant Engineer and 10 Surveyors and the additional staff now required would be 2 Assistant Engineers and 5 Surveyors The menial Establishment required would be the addition of 4 peons and about 10 Survey coolies.

As the above establishment is absolutely necessary, I request that this matter may be placed before the Board and immediate sanction of Government taken so that the Board will be in a position to carry out its immense task at least from the beginning of the next official year.

The Establishment may be for a period of one year in the first instance and its continuance will be examined at the end of the year

---

Docket Abstract

Proposals for additional Ests required for carrying out works undertaken by the Board

Sir,

With reference to your letter No 3373/ dated the 5th/9th June 1947, on the above subject, I am directed to state that the Chief Engr for Roads & Bldgs who was consulted in the matter has expressed the opinion ~~that~~ that so far only two large works were in progress during 1946-47 viz Construction of Tenemental Quarters and the Industrial Suburb (first stage), and that the sum of Rs 5 lakhs represents mostly the Cost of Acquisition Charges. It is also considered that since the work would expand during the year 1947-48, it would be enough ~~probably~~ if another Sub Division with necessary Staff viz 1 Asst Engr 2 Surveyors or Overseers and 6 Suboverseers with necessary clerks and menials be sanctioned in addition to the existing Staff and that this Staff might be able to cope with all the works and projects

P.T.O

That may be dealt with during 1947-48 If however any large works that cannot be managed by this staff are to be sanctioned during next year, necessary provision for any special staff may be made in the Concerned Estimates.

In the above circumstances, I am directed to enquire whether the proposals as modified above, may be sanctioned.

The matter may be kindly treated as urgent.

for Revenue Secretary

The proposition statement sent with your letter under reference is here with returned for being modified as necessary to be passed & returned to us forwarded to the Comptroller to work with your estimates.

No 961 /47-8

Office of the Chairman,
City Improvement Trust Board,
Dated, Bangalore, the 12th August 1947

3 Letter No 521 dated 18th December 1947 from the Auditor, P W D forwarding duly scrutinised the proposition statement in respect of the establishment referred to above

ORDER NO L 17421-3/76-48

Dated, Bangalore,

The Bangalore City Improvement Trust Board ~~have~~ has been entrusted with the execution of important schemes, such as the formation of residential extensions and industrial suburbs at Bangalore In view of the large number of works to be taken up by the Board and the urgent need for their speedy execution, the Chairman of the Trust Board submitted proposals for the employment ~~of~~ in the Engineering section of an additional establishment consisting of two Assistant Engineers and

five ~~Sub-overseers~~ Surveyors with ~~xxxx~~ other necessary staff

2 The Chief Engineer for Roads and Buildings who was consulted in the matter recommended that it would be enough if another sub-division consisting of one Assistant Engineer, two Surveyors and six Sub-overseers is created in addition to the existing staff. The Trust Board have also agreed to appoint the staff as proposed by the Chief Engineer.

3 In the circumstances, Government are pleased to accord sanction to the entertainment of the additional establishment mentioned in para 1 of the preamble above, in the Engineering section of the City Improvement Trust Board, Bangalore, for a period of one year in the first instance The extra expenditure of Rs 17,124/- involved will be met out of the provision made for the purpose in the current year's budget of the Trust Board

ORDER No. L 17421-31 Mk 13-47-83

Dated, Bangalore, the 7 June 1948.

The Bangalore City Improvement Trust Board has been entrusted with the execution of important schemes, such as the formation of residential extensions and industrial suburbs at Bangalore. In view of the large number of works to be taken up by the Board and the urgent need for their speedy execution, the Chairman of the Trust Board submitted proposals for the employment, in the Engineering Section, of an additional establishment consisting of two Assistant Engineers and five xxx Surveyors with other necessary staff.

2. The Chief Engineer for Roads and Buildings who was consulted in the matter recommended that it would be enough if another sub-division consisting of one Assistant Engineer, two Surveyors and six Sub-overseer is created in addition to the existing staff. The Trust Board have also agreed to the appointment of the staff as proposed by the Chief

PTO

Chief Engineer.

3. In the circumstances, Government are pleased to accord sanction to the entertainment of the additional establishment mentioned in para 1 of the preamble above, in the Engineering Section of the City Improvement Trust Board, Bangalore, for a period of one year in the first instance. The extra expenditure of Rs 17,124/- involved will be met out of the provision made for the purpose in the current year's budget of the Trust Board.
